

SCAVENGER HUNT

Here is a list of clues about ordinary indoor objects. Copy and print these to save time. You'll find the answers at the end. You may also use these clues as inspiration for your own list. Since your home may have more than one of some of these objects, the grandchildren may have to check out more than one location before they find the next clue. That makes the game last longer, gives them more exercise, and adds to the fun.
