

21st Biennial Canadian Neuro-Oncology meeting

Vancouver | May 22-24, 2025

Pan Pacific Hotel, Vancouver, British Columbia

On behalf of the CNO Meeting Organizing Committee we look forward to welcoming you to Vancouver for the 21st Biennial Canadian Neuro-Oncology Meeting! The meeting will highlight innovations in neuro-oncologic care and science both domestically and internationally.

Vancouver is spectacular in the spring. The conference hotel is walking distance to the Art Gallery of Vancouver and Stanley Park, and a short drive from many other local attractions, including Granville Island and the local mountains where you can enjoy some of the best hiking in the world.

Early Bird CNO Meeting Registration begins in October 2024. In recognition of the cost of accommodation in Vancouver we will provide \$100 off Conference registration to those staying at the conference hotel.

We look forward to seeing you in Vancouver!

ABSTRACT SUBMISSION

Abstracts presented at the meeting will be available for download on the CNO2025 meeting website as well, will be published online on the .

Instructions for Submission of Abstract:

1. Submit an electronic abstract (not exceeding 250 words) using 12-point typeface in Word format only by **March 7, 2025**
2. To submit an abstract via the website go to <https://www.cnomeeting.ca/callforabstracts.cfm>
3. The website does not support special characters, so these must be spelled out.

4. The abstract title must be in lower case letters except for the first word and abbreviations, and followed by the authors' initials, family name(s), city and province/country. Please place an asterisk by the name of the presenting author.
5. An individual may present more than one abstract.
6. Notification of acceptance and presentation schedule will be sent via email on or before March 31, 2025.

NOTE: As the deadline for early bird registration is January 31, 2025, if your abstract is accepted the early bird registration fee will apply. We will email an invoice reflecting that amount.

YOUNG INVESTIGATOR RESEARCH AWARDS

Two “Young Investigator Awards”, made possible by the Canadian Brain Tumour Consortium, will be awarded (selected by the CNO awards committee). Graduate students, postdoctoral fellows, residents in training and allied health professionals are eligible.

Young Investigator Award in Basic Science \$2,500 CND

Young Investigator Award in Clinical Investigation \$2,500 CND

TRAVEL GRANTS

Ten (10) travel grants of \$500 each will also be awarded (selected by the CNO awards committee) to help graduate students, postdoctoral fellows, residents in training, and allied health professionals travel to Vancouver to present their research.
