

## 2026 Youth Education Awards Application Form

**Supporting the educational aspirations for young adult brain tumour survivors and improving access to education.**

### **The goals of the Youth Education Award Program are:**

1) To inspire inclusion and accessibility to post-secondary education for survivors of pediatric brain tumours.

2) To recognize the significant challenges this unique group must overcome, and value the determination and courage exhibited during diagnosis, treatment, and survivorship.

**ELIGIBILITY:** Survivors of a pediatric brain tumour (diagnosed with a brain tumour before the age of 25), currently between the ages of 16 and 30, who will be enrolled full-time in a publicly funded Canadian university or college in September 2026.

Applicants are eligible if they are in their graduating year of High School or CEGEP program, or are currently enrolled full-time in a recognized publicly funded Canadian university or college and planning to continue their full-time undergraduate studies next year.

### **This application consists of six (6) parts including:**

1. Student biographic information
2. Education, goals, and personal essay
3. Motivation towards goals
4. Financial information
5. Patient medical attestation
6. External reference letter

NOTE: Applicants will be evaluated on the demonstrated impact of brain tumour symptoms, diagnosis, treatments, and lifestyle adjustments. Reviewers will consider the information provided by applicants in the context of the barriers they have faced and the supports available to them. **All components are due no later than May 1, 2026 electronically to [Education.Awards@braintumour.ca](mailto:Education.Awards@braintumour.ca).**
