## **Servier Canada joins national effort supporting Canadians impacted by brain tumours**

**[London, Ont., April 14, 2026]** – Brain Tumour Foundation of Canada is proud to welcome Servier Canada as a Lead National Sponsor of the 2026 Brain Tumour Walk, helping advance a national movement in support of the brain tumour community.

Each year, the Brain Tumour Walk brings survivors, caregivers, friends and families together to honour loved ones and stand alongside everyone affected by a brain tumour, while raising funds for research, support programs and advocacy. It's a movement that brings meaning and connection to those impacted.

"We're incredibly grateful for Servier Canada's ongoing support," says Nicole Farrell, CEO of Brain Tumour Foundation of Canada. "When you see people coming together to laugh, cry, reflect and rally for a future without brain tumours, it truly speaks to why partnerships like this are so important."

"Servier Canada is very proud to support the 2026 Brain Tumour Walk and to stand alongside the brain tumour community," says Thomas R. Fodé, Patient Affairs Manager at Servier. "Brain Tumour Foundation of Canada plays an incredible role for Canadians affected by brain tumours, and we are grateful for this partnership and the opportunity to collaborate in making a positive difference in the journey of patients and their families."

[Servier Canada](#) is a research-driven pharmaceutical company committed to advancing innovation in oncology and supporting patients beyond treatment. In addition to investing in research and therapies targeting complex cancers such as gliomas, Servier Canada works alongside partners to improve awareness, resources and advocacy for patients and their families.

Beyond its support of the Walk, Servier Canada collaborates with Brain Tumour Foundation of Canada on initiatives that help patients navigate their diagnoses and strengthen advocacy efforts for improved access to care.

People across Canada are invited to take their own steps forward for the brain tumour community and register for this year's Brain Tumour Walk. Learn more at [BrainTumourWalk.ca](https://www.braintumourwalk.ca).

**About Brain Tumour Foundation of Canada:**

Brain Tumour Foundation of Canada is the only national charity offering information and support to Canadians affected by any kind of brain tumour, whether malignant, non-malignant or metastases. Since its inception in 1982, the organization has allocated millions of dollars to fund crucial research projects, advancing brain tumour treatment and patient care.

Every day, the organization strives to bring HOPE to all those affected by a brain tumour. HOPE through support. HOPE through information and education. HOPE through research. HOPE for a cure.

Brain Tumour Foundation of Canada is funded solely through generous contributions from individuals, corporations, organizations, employee groups and special events. Learn more at [BrainTumour.ca](http://BrainTumour.ca).
